

# LEADPAYROLL

The screenshot shows the LeadPayroll website homepage. At the top, there's a navigation bar with links for FEATURES, TESTIMONIAL, PRICING, FAQ, SIGN IN, and REGISTER. The main headline reads "Get ahead! maximise your workplace experience with Lead Payroll". Below this, there's a sub-headline: "Your all-in-one human capital management and payroll solution streamlined towards maximising business growth." A "GET STARTED FOR FREE" button is visible. To the right, there are two images: one of a person working at a computer and another of a woman smiling. A purple grid pattern is overlaid on the bottom right. The "Features" section below includes a sub-headline "Manage multiple businesses with single sign-on" and a detailed description of the platform's tools for keeping teams happy, productive, and compliant. A "LOG IN" button is located at the bottom of this section.

## Project Details:

### About:

LeadPayroll is a comprehensive human capital management (HCM) and payroll solution designed to streamline HR and payroll processes for businesses. It offers a range of features to help manage various aspects of human resources, including employee information management, payroll processing, benefits administration, time and attendance tracking, and compliance management. The platform is designed to increase efficiency, reduce errors, and ensure businesses comply with relevant regulations.

**Project owner:** Stetis limited
